22 April 2008

Movie Under the Stars

Congratulations to the Tintern Association and the Southwood Parents Club for all their hard work in planning and organising the first Tintern Schools Movie Under the Stars night. On Saturday 12 April approximately 350 of the Tintern Schools community from all four campuses came together to watch 'Surf's Up' on the Tintern Oval. The weather was kind and provided a beautiful night for us all to enjoy a relaxed picnic atmosphere. The Community Groups provided us all with some yummy treats and congratulations to the Bacon family who won first prize in the Gourmet raffle. A very big thank you is extended to the many volunteers and supporters from our community who helped this event to be a successful 'Friend Raising' activity. Please refer to the Schools website for some photos of the night. We would love to hear your comments so we can start planning the next one!

Parent Association AGM's

On Tuesday 15 April the Tintern Association committee was re-elected unopposed. Please take the time to read their attached annual report. We are sure you will agree that a lot has been achieved over the past year and we acknowledge the hard work by many volunteers. The Parent Associations welcome new ideas all the time. If you would like to contribute but not sure how please contact Di Lacey in the Community Relations Office. The Southwood Parents AGM is being held Tue 22 April in the Southwood Hall and we look forward to many new faces as there are a number of retiring members. The School Executive and Board greatly value the contributions these volunteer groups make to our Tintern Schools Community.

FOM Donation

The Community Relations Office acknowledges a donation recently given to the Ludwig Institute for Cancer Research by the Friends of Music group in memory of Glenda Trigg. Our deepest sympathy is extended to Ron Trigg and his family.

Working with Children Check

At Tintern Schools it is very important to us that we provide a safe environment for all in our community. In that context, we are requesting that all parent volunteers undertake a Working with Children Check (WCC). There is no fee for volunteers. It means that the Tintern Schools community will have the peace of mind that all its volunteers have passed a government check. A sincere thank you in advance for the time you take to complete and lodge this application form. We very much appreciate and value you as part of our Tintern Schools community. Forms can be collected from Sue Brush in the Community Relations Office, Junior School receptions or Australia Post.

Friends of Music (FOM) Correction

Please be advised the Vice President of the FOM Group is Peter McKelvie. Our apologies to the McKelvie family for the spelling error in the last Community Page.
