Fair 2009: Community Help Needed...

The 2009 Fair committee is looking for families who live on main roads. Local councils are only allowing 2 advertising boards to be placed within our own municipality. If you would consider allowing the School to place an advertising board in your front yard with main street frontage we would love to hear from you. Please contact Mrs Di Lacey on 9845 7877 or email dlacey@tinternschools.vic.edu.au.

Expressions of Interest for a Tintern Schools Business Register

Have you ever wondered if there is a Tintern Schools' family electrician, plumber, builder, hairdresser, tutor, florist etc you could call on when needed?

The Tintern Association and the Southwood Parents Club are seeking expressions of interest from our community to advertise your business free in a Tintern Schools Business Register. This exciting initiative has been tabled at the last parent association meetings and they are keen to give something back to the community free of charge. If you have a family business you would like to promote to the Tintern Schools community please email the Community Relations Office on development@tinternschools.vic.edu.au or ring Di Lacey on 9845 7877.

Year level Functions

There have been recent year level functions at the Cuckoo, Natalies and Eastland Hoyts. A good time was had by all. If you would like to organise a year level function and do not know where to start, contact your year level parent rep or the Community Relations Office.
