Community Page

In the spirit of staying connected

12 February 2008

Welcome to the first edition for 2008. It is through this page that we will keep you informed of the events and achievements of the various Community Groups as well as the many and varied activities in which they participate. If you would like to be involved with any of the Community Groups please contact the Community Relations Office. Keep your eye on the website as Community news will be updated regularly so you won't miss out on any important information. We will also be including lots of photos of community activities.

Class Representatives and Community Volunteers

Thank you to those parents in our community who have already put up their hand for Class Rep and Community Volunteer. We still have a few spots vacant. If you are undecided please give Di Lacey a call in the Community Relations Office to discuss the roles. Class Representatives and Community Volunteers are a vital link between the parents in your year level and other community groups. The work that Class Representatives and parent volunteers do for the school is very highly valued by the School Board, Principal, staff and students. Parent interest and involvement in the life of the school has a very positive effect on the students. We thank all those class representatives and parent volunteers who give so generously of their time and talents.

Tintern Schools Debutante Ball 2008

Thank you to those current Year 11 girls and their parents who expressed an interest, late last year, to take part in the 2008 Debutante Ball. If you are still undecided please read the Debutante overview available on the Schools website and register your interest with the Community Relations Office as soon as possible. The Ball will be held on Saturday 13 September, the day after Term 3 finishes.

Sunscreen Fundraiser

The Tintern Association and Southwood Parents Club have decided to continue the chocolate free school fundraiser that will keep all our children sun smart. Please refer to the school website under the community section for more details. Orders can be placed by downloading the form on the website or purchasing the sunscreen via the uniform shop for \$6; cash only. Please support our school by supporting this worthy cause. A portion of money collected supports the Cancer Council of Australia.

Second Hand Books not sold

If you have not collected your unsold second hand books from last year please contact the Community Relations Office to arrange a suitable time for collection. All unsold books not collected before the 29 February will be donated to a worthy charity. Once again thank you to the community for contributing to this successful parent run event.

Movies Under the Stars

Saturday April 12 is the next big date for our parent run events. Mark this date in your diary. This event will be held on the Tintern Oval from 5pm offering a sausage sizzle, popcorn, Choc tops, glow in the dark novelties and more...
