

International Terms and Conditions of Enrolment

TINTERN
GRAMMAR

1. Registration

A student's name will be registered following the payment of a \$100 registration fee. This fee covers administrative costs and is non-refundable.

2. Application for Enrolment

Depending on the level of entry and their level of English, a student may be required to sit an English language assessment test. Enrolment at the School may be provisional on achieving a satisfactory standard of English.

3. Enrolment

The School requires payment of \$3,500 when the first family member is enrolled. This fee is GST free. Note: This fee comprises two parts. The first part, the Enrolment Fee (\$500), covers all administrative costs in relation to the processing of the enrolment application and is non-refundable. The second part, the Family Deposit (\$3,000), is the deposit portion which is refundable, on request, within three months of the last student leaving the School, provided all accounts have been paid and written notice has been given. For families enrolling subsequent children, a non-refundable enrolment fee of \$250 is required to secure enrolment.

- A. The School reserves the right to manage the conduct of the School and determine its policies, including the right to change, re-organise, re-locate, curtail or cease any or all of the activities or operations of the School or transfer its assets. This right may be exercised by the School at any time in its sole and absolute discretion.
- B. These conditions of enrolment may be varied at any time by the School in its sole and absolute discretion, by written notice to the parent/guardian, or by letter generally circulated to parents/guardians through the School's communication systems, and will apply from the time they are promulgated.

4. Cancellation of Enrolment

The School must receive one full term's notice of the withdrawal of a student for whom a place has been accepted. If the advance instalment has been paid, and the student is unable to attend the School as a result of an unsuccessful visa application, the School will refund 100% of the tuition fee, less a \$250 charge for administration. Evidence of the visa application must be provided to the School. The refundable portion of the Family Deposit (\$3,000) will also be refunded. The refund policy may be varied by the School at its discretion.

5. Tuition Fees and Accounts

- A. Fees and charges are billed in two equal instalments and are to be paid one Semester in advance. Semester tuition accounts will be sent in May and October of each year and are payable prior to the start of each Semester, by 30 June and 30 November.
- B. Accounts are payable within 6 weeks from the date of issue. A Late Payment Fee of \$50 per student may apply if a payment is not received by the School by the relevant due date.
- C. Billpay (BPay), Cheque, Direct Debit or Credit Card payment which is declined by the bank, for any reason, will attract an administration fee passed on by the financial institution.
- D. The School reserves the right, which may be exercised at any time, to refuse to allow a student to continue their education at the School while any fees remain unpaid.
- E. The School is entitled to withhold from releasing a student's results until their relevant school fees are paid.

- F. If any student is on a student visa and is enrolled at Tintern Grammar and the school fees have not been paid, the matter can be referred to the Department of Immigration. The Department can then suspend/cancel the visa meaning that the student will be deported. Once the visa is cancelled the student(s) concerned will have difficulty in being reissued with another student visa.
- G. All planned absences, of a minimum of a term, must be notified in writing in advance to the Principal.
 - G.1 A holding fee of 25% of the applicable year level is required if students take a leave of absence from their studies at Tintern Grammar.
 - G.2 If an enrolled student entering into the School does not take up a confirmed place until Term 2 or later, the family will be charged the holding fee.
 - G.3 For financial arrangements regarding the absence of students, contact the Director of Admissions and Marketing on (+61 3) 9845 7768.
- H. In the case of prolonged illness (one school term or more), an application, including a medical certificate, may be made to the Director of Admissions and Marketing for some remission of tuition fees.
- I. Parents are responsible for payment for avoidable breakage or damage to school property caused by the student.
- J. The Principal may authorise particular expenditures (for example medical expenses or school materials) to be charged to the student's account.
- K. Parents will be notified in the event that the School Board alters these terms and conditions.

6. Annual Payment Discount

The School offers a discount of 3% for payment of annual school fees and charges if paid on or before 31 December of each preceding school year.

7. Family Discount

Tintern Grammar is committed to educating the whole family. As such, families with multiple children attending Tintern Grammar concurrently are entitled to receive sibling discounts. 8. Deferral of Enrolment

Acceptance of an offer of enrolment can be deferred for entry in a later year, but no guarantee can be given that a place will be available at that time.

9. Withdrawal of a Student

One full term is required as notice, in writing to the Principal, before the withdrawal of a student from the School. If the required notice is not given, a fee of up to one full term's fees may be charged.

10. Medical

In the event of an accident when it is impractical to communicate with a parent or guardian, the Principal or his representative may authorise medical, surgical or other treatment considered necessary by a qualified medical practitioner.

11. Technology Access

The School supports student access to electronic information resources and networked services to enhance learning opportunities. Communications on the network are often public in nature and general school rules for behaviour and communication apply. The network is provided for students to conduct research and to communicate with others as part of the educational program. Students are expected to act in a considerate and responsible manner.

14. Accommodation

International students must live in Tintern Grammar approved Homestay, or with adult relatives or family friends. The School must be notified of any change in accommodation and the Principal must approve the new arrangements.

15. Guardianship

All international students who are not living with parents are expected to have a Welfare Guardian who will act on their behalf in matters related to the School. Welfare Guardians may be a relative or a family friend over the age of 21 years and must be nominated by the parents. The School must be notified of any change in the guardian and the Principal must approve the change.

These may include private music, tennis and speech lessons, uniform, text books and stationery, and camps.

17. Building Fund

Donations to the Tintern Building Fund are tax deductible and help to provide and maintain school buildings. Parents are invited to support the School Building Fund through regular donations.
