

SPRING CELEBRATION BALES OUT FARMERS

Tintern Grammar's Young Farmers club are welcoming in the Spring with an event to raise money for the Buy a Bale campaign.

As young farmers, we spend some of our lunchtimes helping Farmer Wall prepare the sheep for the shows, learning about animal health and farming operations.

Every year, the Tintern Grammar Young Farmers attend four shows: the Berwick Show, Australian Sheep & Wool Show in Bendigo, Royal Melbourne Show and the Royal Geelong Show.

At the moment we are eagerly awaiting the new lambs and preparing for our school's annual Spring Celebration.

YOUNG FARMERS
CLUB CAPTAIN

This year's event will raise money for Buy a Bale, because it's important to support the struggling farmers around Australia.

The Spring Celebration, hosted by our parents' group, Friends of Young Farmers, gives the community the opportunity to see our newborn lambs and enjoy fun family activities. It is on Friday August 31 from 3.30pm to 7.00pm at the Tintern Farm at Tintern Grammar School, Alexandra Road, Ringwood East. Details: www.trybooking.com/XAAH
