

# GIRLS' JUNIOR SCHOOL

At Tintern we provide opportunities for girls to engage, build confidence and lead. Our classes and curriculum have been carefully structured to fully cater to the specific needs and strengths of our young girls.

Our girls are given every opportunity to further their talents and sharpen abilities in a broad range of activities. We introduce them to strong female role models, many of whom are our own alumni. We provide the support, advice and care they need as they begin the transition from girls, to young women.
