

# CO-CURRICULAR MUSIC PROGRAM

## YEARS 7-12

### Secondary School Performance Ensembles

A range of performance ensembles is offered to Secondary School students who play an instrument or sing. Membership of these ensembles is voluntary, but all students who learn an instrument in or out of school are encouraged to participate in one or more groups. Most of these ensembles are non-auditioned; however, students may be asked to audition for entrance into some of the more senior ensembles. Rehearsals generally are held outside normal school hours as part of the Tintern Grammar co-curricular program.
