

# CHARTER BUS ROUTES 2021

# TINTERN GRAMMAR

## Charter Bus Fare Details

Charter bus fares are based on three zones extending from Tintern Grammar and may be booked on either a full time (6 – 10 trips per week) or a part time (1 – 5 trips per week) basis.

Registration for travel is arranged annually and fares will automatically be charged in four equal instalments. Year 12 students will be offered a reduced rate for travel during the Term 4 examination period. All registered students must be of school age (Prep – Year 12).

***If travel is no longer required, two weeks notice in writing must be supplied or a full term fares (in lieu of notice) will be charged to the account. Credit is not given for unused fares.***

## Rules of Comfortable and Safe Travel

***Students and parents/guardians are advised that charter bus travel is conditional on student compliance with the following points:***

- Students travel as representatives of Tintern Grammar and are expected to behave in line with school policies.
- The departure time shown indicates the time a bus leaves the bus stop. To allow enough time for students to board and find a seat, students must be at pick up points at least five minutes before the scheduled departure time. Pick up and drop off times are subject to weather, traffic and roadwork conditions.
- Buses are only permitted to stop at designated bus stops; passengers may not board or alight at other points.
- At all times, passengers must remain seated. Standing up or walking around the bus while it is moving is not permitted.
- **Seat belts** must be worn at all times.
- Passengers are not permitted to eat or drink on the bus unless authorised by the driver.
- Students may only travel on the bus route for which they are registered. Changing bus routes or bringing a friend on the bus is only possible if arrangements have been made, in advance, with the Transport Department and only if a seat is available.

## Timetable Details

The details in the following timetables indicate the route the bus travels to school and the departure / arrival times at stops during the journey. Students are able to board at designated bus stops along these routes.

Charter Buses can be tracked live in the morning and afternoon via the following link or the Ventura App is available to download on both iPhone and Google.
