

TINTERN GRAMMAR CAMPS 2022

TINTERN
GRAMMAR

The Camps program at Tintern Grammar is an integral part of the curriculum and pastoral program. Students from Years 3–12 participate in year level camps, and these are vital in the development of character and co-operative skills.

JUNIOR SCHOOL

Camp Programs in the Junior School reinforce learning and establish independence with students. They are also sequential in nature, with each camp building on the experiences of the year before.

YEARS 3 & 4

GIRLS

Camp Manyung - \$325
7 - 9 November 2022

A major emphasis is placed on social activities at camp in a comfortable environment. It also offers a series of outdoor adventure activities including orienteering, hiking, archery and bush craft.

BOYS

Camp Adanac - \$325
8 - 10 August 2022

A major emphasis is placed on social activities at camp in a comfortable environment. Boys enjoy camp activities such as the Flying Fox, Giant Swing and low ropes, whilst staying in accommodation that is just like being at home.

YEAR 5

GIRLS & BOYS

Narmbool/Sovereign Hill - \$740
24 - 26 August 2022

Our Year 5 girls and boys attend a two night/three day stay at the unique Narmbool property, where they experience sustainability in action, and participate in Outdoor activities, including hiking. They also attend Sovereign Hill for a day where activities include a gold mine tour, Educational sessions complementing the unique Goldfields environment, and attend the Aura Night Show.

Phillip Island Surf Camp
2 - 4 November 2022

Our girls and boys immerse themselves in a beach environment, where they learn to surf, enjoy boogie boarding, participate in a beach carnival and enjoy the sights of Phillip island.

YEAR 6

GIRLS & BOYS

Canberra - \$1,200
15 - 17 June 2022

Following their study on Government, the girls and boys attend Parliament in session and visit places of national importance such as the War Memorial, Art Gallery and Questacon.

MIDDLE SCHOOL

The camping program in Middle School allows students to be challenged and to take risks in a controlled environment. The camps and their challenges change from year to year to meet the particular needs of the age group. Boys and girls attend the same camping program, however, sleeping arrangements are separate and they attend separate activities during the day.

YEAR 7

GIRLS & BOYS

7 - 11 February 2022
Iluka Lodge - \$805

The Aquatics camp occurs early in Term 1 based around Shoreham with a major focus on building relationships with peers and staff. Students spend half the time in a campsite where they can comfortably participate in a local aquatic experiences. The other half of their experience is in tents at a bush site where students are introduced to the journeying concept of OE. These fundamental skills and experiences are the foundations for future journey's and expeditions. Activities include: stand up paddle boarding, snorkelling & swim adventure, cycle skills, initiatives, surfing, bushwalk and tree climb.

YEAR 8

GIRLS & BOYS

9 - 13 May 2022
The Grampians - \$650

Students will "journey" through a range of challenged based activities, camping at a variety of sites within the northern Grampians. The program, will promote growth and excitement. Students will need to develop a greater level of responsibility for self, and develop a sense of empathy and teamwork towards others. Students will be immersed in a more natural environment with minimal facilities for longer. Activities include: initiative challenge, bike riding, rockclimbing and hiking.

YEAR 9

GIRLS & BOYS

Extensive Outdoor Education Program - \$2,250

The overarching theme of Year 9 is Challenge, which aligns with the Outdoor focus. Students need to apply the fundamental skills taught previously and build on them to achieve 3 unique camp experiences throughout the year.

Bushwalking: 21 February - 25 February 2022

Students attend a 5 day/4 night camp at the Great Ocean Walk.

Winter Activities Camp: 8 – 12 August 2022

In winter, students experience a 5 day camp based in residential accommodation in the Mansfield area. Activities include: Rafting, Cross-Country Skiing, Mountain Biking, Bushwalking and an Adventure Race.

Summer Expedition: 28 November – 2 December 2022

In Summer, students experience a 5-day journey where the main focus is a specific activity. A variety of options based in Victoria will be offered to students.

SENIOR COLLEGE

As students mature, our camp and conference programs maintain a strong pastoral focus while also preparing students for the future. Students are engaged in activities that further develop their character, connectedness to their peers and staff, independence, organisation and study skills.

YEAR 10

14 – 16 February 2022 City Experience - \$550

All Year 10 students attend a City Experience camp which focuses on students gaining a different understanding of Melbourne. The students are accommodated in the city and activities provide opportunities to develop relationships and to gain an appreciation for the diversity of Melbourne. They visit various sites of educational, historic and cultural significance and participate in a range of group bonding activities.

YEAR 11

14 – 16 February 2022 Phillip Island - \$460

Year 11 students attend a conference at Phillip Island. The focus is on students gaining an appreciation about strategies that will assist them personally and academically across their final years of schooling and into the future. They also enjoy the opportunity to participate in group recreational activities.

YEAR 12

14 – 16 February 2022 Year 12 Conference - \$250

Creating a 'balanced life' during Year 12 is the focus of the Year 12 Conference. Students attend this non-residential conference and hear from a variety of inspirational speakers with the aim of creating a greater awareness about important social issues in our modern society and strategies to support their academic learning and wellbeing. There will also be workshops and group activities to engage the students.

ATTENDANCE AT CAMPS

Please note that attendance at camps is compulsory and all students are expected to participate. Costs are kept to a minimum based on all students attending and on the hiring of fully qualified staff for each activity to ensure maximum safety.
